The Reid

The Reid's covered entry and foyer with soaring 13' boxed ceiling flow into the family room, with a view of the covered outdoor living. The extended patio includes an outdoor fireplace and an outdoor grilling kitchen. The kitchen overlooks the sunny breakfast nook and family room, which features soaring 12' ceilings. An oversized center island highlights the kitchen with a breakfast bar, gourmet appliances, plenty of cabinet space, and a sizable walk-in pantry. The elegant owner's bedroom is complete with a box ceiling, sitting area, palatial walk-in closet connected to the laundry room, and luxurious master bath with dual vanities, large soaking tub, luxe glass-enclosed shower, linen storage, and private water closet. Secondary bedrooms feature walk-in closets, two with a shared full hall bath, with a private full bath. Additional highlights include a private study, additional dining space, versatile media room off the family room, mudroom, secluded second-floor game room with a powder bath, and additional storage throughout.
